## KNOW US

**J**ML Foods is an agricultural food flour production and distribution firm located at the economic capital of Nigeria, Lagos state. With registration number (Rc 3208240).

**W**e refined several tubers and grain foods such as yam, plantain, cocoyam, corn, soyabeans, beans, maize, etc., into powder forms for easy accessibility while enriching them with the right quality nutrients in their specific proportions to meet today's demand.

MANUFACTURED BY JML FOODS.

## ON OUR FOOD TRADING INVESTMENT (FTI)

*JML Foods as created a unique and mouthwatering platform for her partners. All you need to do is to invest and watch as your money grows everyday. All we do is to make use of your money while you enjoy return of investment (R.O.I)*

Note that you can only qualify for the food Trading Investment as soon as you move to Stage One.

We have created this special package for all our partners to always give them consistence income.

We have four types of packages you can choose from.

### **1. SILVER PACKAGE:**

### **3. DIAMOND: N100K (N20,000 PRODUCT)**

### **4. AMBASSADOR: 300K (N30,000 PRODUCT)**

## OUR NETWORKING

**W**e have also created a passionate and dynamic Multi level marketing(MLM) structure that is on mission to bring smiles to peoples faces.

**At JML Foods, We believe hunger and malnutrition are a global threat and a monstrous emergency which must be tackled decisively and without delay.**

**A** According to JML Foods, We believe this can only be achieved via provision of foods , which is obviously a basic human right as enshrined in the United Nation(UN)human rights chapter.

**J**ML Foods as planned to proffer a sustainable food, cash, and incentive reward system which embraces civil servants, traders, artisans, widows, pensioners, farmers, students and wide array of low income earners and to ensures that as soon as

anyone registers on the portal and meet the requirments or target, they are rewarded, and also generate much needed income and in the process drive their feeding expenses to the berest minimum.
